

# Glenn Hughes, Talk About It

In the coldness of love's sweet illusion  
There's a sadness that stands in my way  
There's a note that I left in the hallway  
Tellin' you that I could never stay  
You never wanted me I'm outta time  
Now I've got nothin' to say

I don't want to talk about it  
I don't even hear a word you say

I don't want to talk about it  
I just turn my back and walk away

I'm the kind that lives with emotion  
Now do I have to live on my own?  
I would cross every mountain and ocean  
Tell me why has your heart turned to stone  
You never wanted me, I'm outta time  
Now I've got nothin' to say
