

Glenn Kaiser, All My Days

God, You are my God and I praise You
Lord, You are my Lord and I love You
God, You are my God and I praise You
Lord, You are my Lord and I long for You
How I long for your presence
How I look to Your grace
How I search for Your heart's desire
To walk with You (3x)
All my days
Lord, You rule over all eternity
Who, who am I that You care for me
Lord, You are the God of the universe
Oh, the depth of Your love amazes me
