

# Glenn Kaiser, All My Days

God, You are my God and I praise You  
Lord, You are my Lord and I love You  
God, You are my God and I praise You  
Lord, You are my Lord and I long for You  
How I long for your presence  
How I look to Your grace  
How I search for Your heart's desire  
To walk with You (3x)  
All my days  
Lord, You rule over all eternity  
Who, who am I that You care for me  
Lord, You are the God of the universe  
Oh, the depth of Your love amazes me
