

Glenn Kaiser Band, Country Mile

i just got to see Your face, Lord
how i wanna see You smile (2x)
at the end of the road they'll hear us
shoutin' for a country mile
life was so strange,
seemed like nothin' ever came my way (2x)
when the nighttime passes
i'll greet You at the break of day
well i needed shelter, needed to be free (2x)
in the mornin' Your love rescued me
