

Glenn Kaiser, For Thee I Wait

I see You in tear and in tempest
I hear You in laughter and mirth
Your presence now surrounds me
In the mystery of death and birth
I bow before Your majesty
Worship before Your throne
You speak in language eternal
There Your glory is shown
I feel You in field and woodland
Touch You in rain and in wind
I know You in morning and evening
Where the dawn and dusk begin
Oh, Thou enthroned in Thy splendor
Maker of all we survey
To Thee I pledge my truest love
For Thy appearing I wait
