

Glenn Kaiser, I Surrender All To Thee

Chorus:

If I had a million lives
It would never do
I could never give enough
To add one thing to You
All I am
All I can offer
All I'll ever be
Debtor to my Savior
I surrender all to Thee

Light in highest heaven
Tree and stream and field
Golden sunset pastureland
Sanctify our yield
Every voice of nature
Each and all declare
Your power
Your glory
Your majesty
Your care

Now in evening shadows
I will add my song
To the hills and hollows
Glancing up and on
King, Almighty, Sovereign
Gladly I shall be
Son to You, my Father
And I offer all to Thee
