Glenn Kaiser, Long Way From My Home

Tonight I am missin' you Oh, tonight I am missin' you In the light of day I had lost my way An' tonight I am missing you Never thought I would come this far I never thought I would come this far I have come through such pain In the strenth of your Name Never thought I would come this far I am a long. long way from my home I am a long, long way from my home I've been a pilgrim on this earth Since the day of my birth I'm a long way from my home Tonight I'm sittin' on this porch in the rain Tonight I'm sittin' on this porch in the rain But Hallelujah by and by I will meet you in the sky I'm still a long, long way from home
