Glenn Kaiser, Satellite Dish

Some kinda fool stuck aluminum foil On my satellite dish (2x) He ruined a perfect evening "Wheel of Fortune"'s what I missed

Had a new Mercedes With them patent leather seats (2x) Drunken driver on the freeway Pulled my ride up in a heap

They said your treasure's where your heart is My treasure started out nice an' green (2x) Till my wife ran my waller Through her washin machine

Ahhh ya can't take it with you Better use it while you can (2x) But understand you'll have to answer To the One who put it all in your hand
