

Glenn Lewis, Your Song (For You)

Verse 1:

Wear a disguise
I see it in your eyes
Afraid to give once a heart willing to try
The love you had found
Again would let you down
Locked away now a heart longing a die

Bridge:

So unsure and feeling insecure
Your heart just can't endure
To rise above and fly
And set you free, to bring you back to me
The promise that you'll be
keeper to my, my heart

Chorus:

Now on we go
To where no one knows
But I know, that I love you even more
Tears we cry
Asking myself why
Did I let the only one that I love go
You were meant for me
Darling can't you see
This is your song

Verse 2:

Now where you are
Forever seems so far
Feels like I could never love again
Wishing you were here
to take away my fears
Life without you's a pain I couldn't bare

Bridge:

So afraid, you'd hurt if I had stayed
Despite all you had gave
I held it all inside
Gave your all, but soon I'd let you fall
Not meaning to at all
I realized, can't deny

Repeat Chorus

Follow me

I'll show you the way
To a brighter day
Upon the wings
Of our love
