

# Glenn Miller, Orange Blossom Lane

## OUR LOVE AFFAIR

Glenn Miller

Our love affair will be such fun,  
We'll be the envy of ev'ryone,  
Those famous lovers we'll make them forget  
From Adam and Eve to Scarlett and Rhett.  
When youth has had its merry fling  
We'll spend our evenings remembering  
Two happy people who say on the square  
Isn't ours a lovely love affair
