

Gloria Estefan, Primitive Love

No one in love
It's all a hassle
What's done is done
Now it's my turn to have some fun
You're much too sly
Don't give me alibis
I don't want to know
I don't want to know

CHORUS

Primitive love; I want what it used to be
I want it; Primitive love
Primitive love; I want what it used to be
I want what it used to be; Primitive love
I want, I need

Primitive Love

Don't have to worry
I don't want your money
I don't have to think
Right now you've got me at the brink
This is goodbye

For all the times I cried

Don't want no more

Don't want no more

REPEAT CHORUS

Is it right, or is it wrong

Primitive drums

Call me backward into stone

Pack up and leave

I'm not yours to deceive

Don't want you no more

Don't want you no more

REPEAT CHORUS
