## Gloria Estefan, Y-Tu-Conga

Everybody gather 'round now Let your body feel the heat Don't you worry if you can't dance Let the music move your feet It's the rhythm of the island And like the sugarcane so sweet If you want to do the conga You've got to listen to the beat

Come on shake your body baby do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it till you tryied it do that conga beat

Feel the fire of desire as you dance the night away 'cause tonight we're gonna party till we see the break of day Better get yourself together and hold on to what you've got Once the music hits your system there's no way you're gonna stop

Come on shake your body baby do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it till you tried it do that conga beat

Come on shake your body baby do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it till you tried it do that conga beat

Come on shake your body baby do the conga I know you can't control yourself any longer Feel the rhythm of the music getting stronger Don't you fight it till you tried it do that conga beat Come on shake your body do the conga
