

# Gloria Gaynor, Gotta Be Forever

Let me hear a little backingtrack

I'm giving it up  
I'm giving it up

I know you're wondering where I've been  
Sweet songs of love got me comig in  
Wanted to leave yeah, just walk away  
But this is real and I'm here to stay  
So afraid of being sad and blue  
Talked to myself and said I'm over you  
But now it's time for me to make you see  
These chains of love got a hold on me

Chorus:  
I never felt this way before  
Can't get enough, want more and more  
Love will keep together  
Got to be forever  
Got to be forever

Never knew love would make me feel this way  
You make me happy and I'm gonna stay  
Whenever life was getting out of hand  
I turned to you and you would understand  
You lift me up when I'm feeling down  
I got my feet back on solid ground  
You make me smile when I wanna cry  
I'm gonna love you 'til the day I die

(Chorus)

I'm giving it up  
I'm giving it up  
And I'm here to stay

(Chorus repeat till fade)
