Gluecifer, Black Book Lodge

Bleak young fop watching lava lamp glowin wanna build a little more esteem Hang out in the black room eating all the mushroom wanna have the blackest dream.

So come on....

Black book, black lodge Something evil that you cannot dodge Black knight in a black club Kid screaming in a black tub

You can wear your long hair going to the book fair When you gonna be there in the old mans lair Holding private trial, living in denial, youll be the hippie scare

Come on.....

Black book, black lodge Something evil that you cannot dodge Black knight in a black club Kid screamin in a black tub

Well youre tired of the textbook, now you wanna read the black book....

Black black lodge (etc)
