

# Gluecifer, Chewin' Fingers

Hes in a dirty line - He wanna do it  
Doin record time - He wanna do it  
Hes among the swine - And gettin thru it  
Doin record time

Waitin up - Chewin on your fingers  
Waitin up - Need a little stinger  
Waitin up - Givin it a little more time

What a situation  
Loaded with frustration  
Gonna be the next in line

Pushin it - Need a little lubin  
Pushin it - Get on with your doin  
Pushin it - Recordbreaker on the loose

Gettin to a breakdown  
And now Im lookin like a sad clown  
Hes a recordbreaker with the blues
