

Gnarls Barkley, Blind Mary

Yeah

I love Mary (I love Mary)
But Mary married me (Marry me)
I love Mary (La la la)
Yeah

She has never seen the sunshine (Sunshine)
Yet she's getting along just fine (Fine)
She's not staying, she's just passing through
Hey, do you mind if I follow you?
You

I love Mary (I love Mary)
Blind Mary marry me (Marry me)
I love Mary (La la la)
Yeah

I heard a voice say catch me if you can
Before you know it I was holding her hand
It's harder to imagine than understand
How she knows exactly who I am
Yeah

I love Mary (I love Mary)
Blind Mary marry me (Marry me)
I love Mary (La la la)
Yeah

She's my friend, she doesn't judge me
She has no idea I'm ugly
So I've absolutely nothing to hide
Because I'm so much prettier inside
Yeah

I love Mary (I love Mary)
Blind Mary marry me (Marry me)
I love Mary (La la la)
Blind Mary marry me
