

Go Sailor, Every Day

walking around in the haze of loving you
so tired, not used to this
not knowing what to do
am I smart enough to make you see
if this is hard for you, then it's twice as hard for me

oh, can I give my heart away
oh, can I do this every day
this troubles me and I know it troubles you
and the worst part is that I know you love me too

trying to say it so you know that I'm sincere
my love and my devotion, throw away my fear
and if you're willing, then so am I
how can you ever know if you never even try

oh, can I give my heart away
oh, can I do this every day
this troubles me and I know it troubles you
and the worst part is that I know you love me too
