Go West, What You Won't Do For Love

I guess you wonder where I've been I searched to find the love within And I came back to let you know Got a thing for you and I can't let go

My friends wonder what is wrong with me But I'm in a daze from your love, you see And I came back to let you know Got a thing for you and I can't let go

Some people go around the world for love But they may never find what they dream of What you won't do, do for love You've tried everything but you won't give up In my world, only you make me do For love what I would not do

My friends wonder what is wrong with me But I'm in a daze from your love, you see And I came back to let you know Got a thing for you and I can't let go

And though I only want the best it's true I can't believe the things I do for you What you won't do, do for love You've tried everything but you won't give up In my world, only you make me do For love what I would not do

What you won't do, do for love You've tried everything but you won't give up In my world, only you, only you make me do For love what I would not do Make me do for love what I would not do Make me do for love

What you won't do, do for love You've tried everything but you won't give up In my world, only you make me do
