

God Lives Underwater, Choir Boy

I'm two-thousand miles away
And you hear me say
Everything is fine
You know better
I'm two-thousand miles away
And you hear me say
Everything is fine
You know better
What I said before
And what I'll say again
You and I are friends
'Least that's the way I feel it is
I'm not a choir boy
But I'm doin' fine
I'm a lot like you
But I'm replacable
I'm not a choir boy
Figuring you'll think the same as me some day
There's no way..
I had to write again
Part of me is gone
I knew I had to get it back
But I couldn't find it
Now I'm lost somewhere
How'm I supposed to heal
Why can't you say
You know how it feels
I'm not a choir boy
But I'm doin' fine
I'm a lot like you
But I'm replacable
I'm not a choir boy
Figuring you'll think the same as me some day
There's no way..
Now I'm back where I was
But only for a few days
I promise you'll look bad for now
God's coming down to see me
In a few days
Here we go again
I'm not a choir boy
But I'm doin' fine
I'm a lot like you
But I'm replacable
I'm not a choir boy
Figuring you'll think the same as me some day
There's no way..
There's no way..
There's no way..
There's no way..
