

# God Lives Underwater, Empty

-Why won't you face me  
It's been such a long time  
I'm walking a fine line  
Now we're walking out  
-Why can't I see things like I'm supposed to see things  
I'm not supposed to be this way  
Not this time around  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday I endure  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday you want more  
-My expectations were high in the first place  
Were high in the worst way  
It leaves me so down  
-I give up easily  
Can't speak so freely  
Won't someone release me  
Just this time around  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday I endure  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday you want more  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday I endure  
-Sometimes.... I Feel so empty  
So much pain... I still ignore  
Everyday you want more
