

God Module, Inside Out

I do... touch the devilish one.

I... I do...

I... I do... touch the devilish one

Do you want me to turn you inside out?
To show you what love is really about.
I think you do.

The two, left shoulder.

When I saw the face of God, I was changed.

Do you want me to turn you inside out?
To show you what love is really about.
Oh I think you do.
I think you do.
Oh I think you do.

Do... do... do...
