

# Godfathers, Obsession (The Godfathers)

Though she was still a little girl  
She was a woman of the world  
She used to sit upon my knee  
And put the sugar in my tea  
No no no, no no no  
And now you'll never realise  
Till that smoke gets in your eyes  
That love is blind and cannot see  
And this is how it's meant to be  
No no no, no no no  
No no no, no no no  
And now I'd walk on broken glass  
To hold her hand like in the past  
You always hurt the one you love  
You need a sign from up above  
No no no, no no no  
Though she was still a little girl  
She was a woman of the world  
She used to sit upon my knee  
And put the sugar in my tea  
No no no, no no no  
Yes
