

Godflesh, Requiem

[originally by Killing Joke]

Man watching video
The bomb keeps on ticking
He doesn't know why
He's just cattle for slaughter
The requiem

When the meaningful words
When they cease to function
When there's nothing to say
When will they start plotting against you
The requiem

Only a hint of religion
Uncensors to its false depravity
The sound of breaking glass
This is a reflection
The requiem
