

Godflesh, Vampires

You fucking fakes you bleed me dry,
you fucking speak, I don't need to reply,
I can be what you want, just push me,
I can be what you want, just push me.

I'm your possession, you shape me,
I'm your possession, you mold me,
I can be what you want, just push me,
I can be what you want, just push me.

[repeat 1st verse]
