Godsmack, Electric Eye, Victim Of Changes, Hell

Up here in space I'm looking down on you My lasers trace Everything you do

You think you've private lives Think nothing of the kind There is no true escape I'm watching all the time

I'm made of metal My circuits gleam I am perpetual I keep the country clean

I'm elected electric spy I'm protected electric eye

I'm elected electric spy I'm elected protective, detective, Electric Eye!

Once she was wonderful Once she was fine Once she was beautiful Once she was mine...she was mine

Changes, Changes...

Hell Bent For Leather!

Seek him here, seek him on the highway Never knowing when he'll appear All await, engine's ticking over Hear the roar as they sense the fear

Wheels! A glint of steel and a flash of light! Screams! From a streak of fire as he strikes!

Hell bent, hell bent for leather Hell bent, hell bent for leather

There's many who tried to prove that they're faster But they didn't last and they died as they tried

Hell bent, hell bent for leather Hell bent, hell bent for leather Hell bent, hell bent for leather Hell bent, hell bent for leather
