

# Godsmack, Keep Away

Sickness spilling through your eyes  
Craving everything that you thought was alive  
Stab me in my heart again  
Drag me through your wasted life  
Are you forever dead?

Do like I told you stay away from me  
Never misunderstand me keep away from me

Twisting everything around that you say, yeah  
Smack me in my mouth 200 times every other day  
Oh  
Rag me I don't hear you anymore  
Find out what it means to me  
I don't know who you are.

Do like I told you stay away from me  
Never misunderstand me.  
Keep Away From Me!

Do like I told you stay away from me  
Never misunderstand me.

Yeah.

Draggin' on so lonely aren't you tired baby?  
Yeah.  
Breathin' life into your lungs  
Are you immune to me?

Yeah.

Do like I told you stay away from me  
Never misunderstand me.  
Keep Away From Me.

Do like I told you stay away from me  
Never misunderstand me.  
Keep Away From Me.

Never misunderstand me.  
Never misunderstand me.  
Never misunderstand me.  
Yeah.
