

Godsmack, The Enemy

Hey! Hey! Oh Mr. Back-stabbing son of a bitch
You're livin' in a world that will soon be dyin'
And I know (I know!), everybody knows you try to be like me
But even at your best as a man you couldn't equal half of me

I am realizing that everybodys lost their simple ways.
And now that it's here, I see it oh so clearly.
I've come face to face with the enemy
Oh, The Enemy!

You! You're another shit talkin' punk to me.
You're a living inspiration for what I never wanna be.
I see, (I see) you've been blinded by what you believe.
Now back up and sit down, shut up and act like you need to be

I am realizing that everybody's lost their simple ways.
And now that it's here, I see it oh so clearly
I've come face to face with the enemy
Oh, The Enemy!

Come to me Come to me! The enemy!
Come to me Come to me! The enemy!

So predicting, you're the reason why.... I lie
Simple decision took me too much time.... to fly
Oh Checkmate!

I am realizing that everybody's lost their simple ways.
And now that it's here, I see it oh so clearly.
I've come face to face with the enemy
Oh, The Enemy!

Come to me!
