

# Gogol Bordello, Focus Coin

Have you noticed you just can't focus  
If you can't focus, how can you notice?

They got you running, running on the fumes  
Through the city of a banging pendulums  
There ain't no way to verify  
-fy, -fy, -fy, -fy, -fy, -fy  
They got you running, running on the fumes  
Through the city of swinging pendulums  
They only sell, it's you who buys

And you get a feeling with all that good they are trying  
"Perhaps part of the time some of them lying"  
Ever wonder why you never get to bottom of all that verifying, huh?

You got only one spine and one head to get by  
And you forced to consider for sake of staying alive  
All of them are lying, and all of the time, yeah

Lying lying lying lying  
Lying lying lying lying  
Lying lying lying  
All of them are lying  
It's true and tried  
Lying lying lying lying  
Lying lying lying lying  
Lying lying lying  
All of them are lying  
Consistently and all of the time

Insecure ones looking where else to join  
The ones who overlooking collecting mine and their focus coin

They got them running, running on all the fumes  
Through the city of banging pendulums  
There ain't no way to verify  
-fy, -fy, -fy, -fy, -fy, -fy

And you get a feeling with the good they are trying  
"Perhaps some of the time perhaps some of them lying"  
Well, it must be exhausting, so many demons be hosting, huh?

You got only one spine and one head to get by  
And you forced to consider for sake of staying alive  
All of them are lying and all of the time  
Professionally lying

Lying lying lying lying  
Lying lying lying lying  
Lying lying lying  
All of them are lying  
Professionally and all of the time, ey  
Lying lying lying lying  
Lying lying lying lying  
Lying lying lying  
All of them are lying  
It's true and tried

Had me a woman but she moved forth  
Ran off with my best friend, now they are living on the flat Earth

They got them running, running on the fumes  
In the city of banging pendulums  
There ain't no way to verify
