

Goin' Places, Commercial Soft Drink Girl

Commercial soft drink girl, will you be mine?
You drive me crazy, hit me baby one more time
Why don't you suck me, just like you suck that straw?

Commercial soft drink girl, I was alone when
I saw you on TV, oops...I did it again
I'd feel so lucky if you'd be with me

I wanna take you places that you've never been
Don't let me be the last to know
This song's from the bottom of my broken heart, oh yeah

Sometimes I think about you now and then
You're the right one for me baby
Oh how I love you...oh yes I do

Commercial soft drink girl
you're such a star
You're talent not your looks
is what got you where you are

I wanna pop your cherry,
just like you pop your can

Commercial soft drink girl
my loneliness is killing me
I must confess I still believe
When I'm not with you I lose my mind
