

# Golden Earring, Deja Voodoo

From the Album:

\* Paradise in distress

In broad daylight  
Your clean cut town  
Has turned into a hunting ground  
And Mama don't need no crystal ball  
To see the weight  
That's coming down  
25 hours a day  
25 hours a day  
In the heart of night  
It howls for more

The beast that prowls  
The killing floor  
And Mama don't need to read the cards  
To tell you times are gettin' hard  
25 hours a day  
25 hours a day  
You've seen it before  
It's been done to you  
In another life, it spell taboo  
Mama calls it  
Mama calls it: D
