

Golden Smog, Glad & Sorry

(ronnie lane)

Thank you kindly
For thinking of me
If I'm not smiling
I'm just thinking

Glad and sorry
Happy or sad
When all is done and spoken
You're up or I'm down

Chorus:
Can you show me a dream
Can you show me one that's better than life
Can you stand it in the cold light of day
Well, neither can i

(chorus)
