

Golden Smog, Until You Came Along

sometimes you're [A]up, sometimes you're [D]down
don't let your [A]feet ever touch the [Em]ground
comfort [F#m]me in times of [D]doubt
in deep [A]despair, lies and cares and a falling [Em]out
[Em]with my friends I used to [A]follow
nearly [D]everybody's [G]daughter
[Em]that's un[A]til you came [D]along
[Em]in a bar-room patrons [A]singing
but [D]I just sat there [G]drinking
[Em]that's un[A]til you came [D]along
your star-crossed eyes and your troubled mind
seems you were left just for me to find
sweet lady lay your hands in mine
upon my face laid to waste by years of wine
[Em]with my friends I used to [A]follow
nearly [D]everybody's [G]daughter
[Em]that's un[A]til you came [D]along
[Em]in a bar-room patrons [A]singing
but [D]I just sat there [G]drinking
[Em]that's un[A]til you came [D]along
sweet lady lay your hands in mine
upon my face laid to waste by years of wine
[Em]with my friends I used to [A]follow
nearly [D]everybody's [G]daughter
[Em]that's un[A]til you came [D]along
[Em]in a bar-room patrons [A]singing
but [D]I just sat there [G]drinking
[Em]that's un[A]til you came [D]along
with my friends I used to follow
nearly everybody's daughter
that's until you came along
but the darkness just got darker
this heart of mine got harder
that's until you came along
