

# Goldfinger, Ghouls Night Out

&lt;!- &quot;Ghouls Night Out&quot;

This is the ghouls night out  
Suffer unto me  
Devils born in angels arms  
Ghouls in heavens fall

This is the ghouls night out  
All ghouls go to hell  
Humans held on eating flesh  
It's my destiny

Ghouls ghouls ghouls night out  
Ghouls ghouls ghouls night out  
Ghouls ghouls  
Ghouls ghouls destiny

Hell is where you want to be  
I feel the hell on you and me  
I feel it every day  
Hell is where you want to be  
I feel the hell on you and me  
It never goes away
