

# Goldfinger, Superman

So here I am  
Doin' everything I can  
Holdin' on to what I am  
Pretendin' I'm a superman

I'm tryin' to keep  
The ground on my feet  
It seems the world is fallin' down around me  
The nights are long  
I'm singin' this song  
To try and make the answers more than maybe

And I'm so confused about what to do  
Sometimes I wanna throw it all away

So here I am  
Growin' older all the time  
Lookin' older all the time  
Feelin' younger in my mind

And here I am  
Doin' everything I can  
Holdin' on to what I am  
Pretendin' I'm a superman

I'm tryin' to sleep  
I lost count of sheep  
My mind is racin' faster every minute  
What could I do more  
Yeah, I'm really not sure  
I know I'm runnin' circles but I can't quit

And I'm so confused about what to do  
Sometimes I wanna throw it all away

Controllin' everything in sight  
Feelin' weak I don't feel right  
You're tellin' me I have to change  
Tellin' me to act my age  
But if all that I can do  
Is just sit and watch time go  
Then I'll have to say good-bye  
Life's too short to watch it fly

So watch it fly

So here I am  
Growin' older all the time  
Lookin' older all the time  
Feelin' younger in my mind

And here I am  
Doin' everything I can  
Holdin' on to what I am  
Pretendin' I'm a superman
