

Goldfrapp, Anymore

You're what I want
You're what I need
Give me your love
Make me a freak

I can't wait /2x
Anymore
/3x

You're sent like stars
It's well divine
I want your love
All of the time

I can't wait /2x
Anymore
/3x

Connect me
Over the other side
/2x

Your strange music
Like lucid dreams
The power of you
Transforming me

I can't wait /2x
Anymore
/3x

I can't wait /5x
Anymore
/2x

Connect me
Over the other side
/2x

I can't wait /2x
Anymore
/4x
