

Goldfrapp, Caravan Girl

What is Her Name?
That Caravan Girl
What is Her Name?

You like the Sun
A hazy day
What is Her Name?

You're Just Talkin'
Like There's Something
Like you know
Domino, domino

Wanna runaway, oh runaway you and me
Yeh get away and bring it all back
Wanna runaway, oh runaway you and me
Yeh get away and bring it all back

Barefoot and game
That Stranger on the Hill
What is Her Name?

You like the sun
A lazy day
Have you no name?

Don't stop talkin'
There's just something
Like you know
I'd like to know

Should I stay or should I go
It's long, wrong way to Go
and I won't deny
Yeah, I won't be shy

Wanna runaway, oh runaway you and me
Yeh get away and bring it all back
Wanna runaway, oh runaway you and me
Yeh get away and bring it all back

Wanna Runaway
(LA LA LA LA LA)
Wanna Runaway
(LA LA LA LA LA)
And Bring it all Back
(LA LA LA LA LA)
Wanna Runaway
(LA LA LA LA LA)
Wanna Runaway
(LA LA LA LA LA)
And Bring it all Back
(LA LA LA LA LA)
Wanna Runaway
(LA LA LA LA LA)
Wanna Runaway
(LA LA LA LA LA)
And Bring it all Back
