

Gomez, The Cowboy Song

One of these days, one of these days
One of these fine old days, I'm gonna be free

Keep on truckin' now, smilin', wavin' your hand
Oh, goodbye
She's just fucking around now,
Saying those things that she doesn't really mean to say
She's got guns to her hip, he's a-crackin' his whip
Yeah, he's a cowboy

Well he sees her walk by, got that look in her eye
She's so fine, she's so fine
He's a cowboy
Yeah!
