Gomez, The Cowboy Song

One of these days, one of these days One of these fine old days, I'm gonna be free

Keep on truckin' now, smilin', wavin' your hand Oh, goodbye She's just fucking around now, Saying those things that she doesn't really mean to say She's got guns to her hip, he's a-crackin' his whip Yeah, he's a cowboy

Well he sees her walk by, got that look in her eye She's so fine, she's so fine He's a cowboy Yeah!
