

Gomez, Tijuanalaska (Tijuana Lady Live Version)

(Tom: Any of you guys ever been to Mexico?
Let us take you there one more time..)

Take me down to where you hide
Lay me down, lay me down inside
What use now? Roll back this Pacific Tide
Tijuana lady, where did you go?
I been chasing you around all Mexico
I'm gonna find my way back to San Diego
Baby, where'd you hide?

Take me down to where you hide
Play me around, lay me up inside
Don't make no sound, 'cause I know you lie
Tijuana lady, let's take it slow
Well I, I know that I'm no head honcho
But I'll, I'll keep you warm in my silky poncho

Where'd you hide?
Where'd you hide?

Tijuana lady, where did you go?
Well I, I heard you lost your last sombrero
Tijuana lady, which way'd you flow?
I'm a el mariachi desperado

Where'd you hide?
Tell me, where'd you hide?

La la la, la la la, la la la
La la la, la la la, la la la
Ah la la, ah la la, ah la la
Yeah
Ah la la, ah la la, ah la la

Tijuanalaska
Tijuanalaska
Tijuanalaska
Yeah

Tijuanalaska
Tijuanalaska
Tijuanalaska
Yeah

Tijuanalaska
Tijuanalaska
Tijuanalaska
Yeah
You are, you are, you are us

(Ian: Thank you very much..)
