

Good Charlotte, Gravity Girl

Oooooooooooooo oooooooooooooo

I could sit for hours in the conditions of the sun

And we could talk for hours 'cause you know you're the one

And everytime I open up my heart to you

You bring me down (You rip it out) Gravity Girl

You bring me down (You bring me down in your world)

You tell me that we're through

Cause you're my

Gravity Girl, Gravity Girl

iv got my own, your my whole world

You're my Gravity Girl

I'm so high in your world

I could sit for hours in the conditions of the sun(Gravity Girl)

and we could talk for hours

'cause you know you're the one (Gravity Girl)

And everytime I open up my heart to you

You bring me down (You rip it out) Gravity Girl

You bring me down (You bring me down in your world)

You tell me that we're through

Cause you're my

Gravity Girl, Gravity Girl

iv got my own, your my whole world

You're my Gravity Girl

(High in the sky with the sun and the moon but you always bring me down again)

I'm so high in your world
