

# Good Charlotte, If You Leave

If you leave, don't leave now  
Please don't take my heart away  
Promise me just one more night  
Then we'll go our separate ways  
We always had time on our side  
Now it's fading fast  
Every second, every moment  
We've got to, we've gotta make it last  
I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I needed you then  
You always said we'd still be friends someday  
If you leave I won't cry  
I won't waste a single day  
But if you leave, no don't look back  
I'll be running the other way  
Seven years went under the bridge  
Our time was standing still  
Heaven knows what happens now you've gotta  
You've gotta say you will  
I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I needed you then  
You always said we'd still be friends  
I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I needed you then  
You always said we'd still be friends someday  
Oh, if you leave  
Oh, if you leave  
Oh, if you leave (oh tell me now you won't leave)  
Oh, if you leave (oh tell me now you won't leave)  
Please don't leave
