

Good Charlotte, Just Wanna Live

I need an alarm system in my house
So I know when people are creepin' about
These people are freakin' me out (these days)
It's getting hectic everywhere that I go
They won't leave me alone
There's things they all wanna know
I'm paranoid about the people I meet
Why are they talking to me?
And why can't any one see?

I just wanna live
Don't really care about the things that they say
Don't really care about what happens to me
I just wanna live
Just wanna live [x6]

I rock a law suit when I'm going to court
A white suit when I'm getting divorced
A black suit at the funeral home
And my birthday suit when I'm home alone
Talking on the phone
Got an interview with the Rolling Stone
They're saying, "Now you're rich, and now you're famous"
Fake ass girls all know your name and
Lifestyles of the rich and the famous
Your first hit aren't you ashamed Of the life, of the life,
of the life we're living

I just wanna live
Don't really care about the things that they say
Don't really care about what happens to me
I just wanna live

Stop your messin' around, boy
Better think of your future
Better make some good plans, boy
Said every one of my teachers
Look out, you better play it safe
You never know what hard times will come your way
We say
Where we're coming from
We've already seen
The worst that this life can bring

Now we're expected everywhere that we go
All the things that they say
Yeah we already know

I just wanna live
Don't really care about the things that they say
Don't really care about what happens to me
Just wanna live [x3]

I just wanna live
Just wanna live [x3]

I just wanna live
Just wanna live [x3]
Don't really care about the things that they say
Just wanna live [x3]
Don't really care about what happens to me

I just wanna live
