

# Good Charlotte, No Communication

March On  
Don't cry  
Open up your eyes and know  
There's someone else out there that feels this way

I'm singing to you  
Cause I know what you've been through and now  
It's not so long ago I felt the same

Like soldiers  
March on  
If we can make it through the night will see the sun  
March on, march on

I remember summer nights alone  
Fireflies the only thing we own  
All we ever dreams of California  
I remember winters were so cold  
Hunger was the only thing we know  
And rock n' roll dreamin' was what saved us

Like soldiers  
March on  
If we can make it through the night will see the sun  
March on, march on

Till we see the sun  
Till we see the sun

Through the good times,  
Through the bad times  
Through the long days  
Through the hard nights  
Keep on till we see the sun

Like soldiers  
March on  
If we can make it through the night will see the sun  
March on, march on

Like soldiers  
March on  
If we can make it through the night will see the sun  
March on, march on

Even when there's no one there for you march on  
Even when the days are long for you march on  
Like soldiers  
March on
