

# Good Charlotte, On The Mountains

MOUNTAINS

YEA BITCHES

All these dreams and all these plans  
I built them all with these two hands  
Everything I've realized my dreams

The city lights shine down and they blind me sometimes  
But through it all, I was lost but I found my way

Tell me what you want cause I would give you anything  
Tell me what you need and I'll go get it.  
I'd give up all these dreams to have you in my arms right now  
I'd give up everything and I'd forget it.

I wasn't On a mountain  
when it came to me

All my life been wasted  
Chasing shallow dreams

Here we are, let me lift you up and show you this world over me  
And all these things And what I've gained  
and what I've said  
it cant compare to the love  
that you could give to me

Tell me what you want and I would give you anything  
Tell me what you need and I'll go get it  
I'd give up all these dreams to have you in my arms right now  
Give up everything and I'd forget it

I wasn't on a mountain when it came to me  
when it came to me

All my life been wasted  
Chasing shallow dreams

Years go by and nothing's slowing down the time  
Years go by and then they're wasted  
an all this time I thought that I gained everything  
if you're not mine I'm so empty

I wasn't on a mountain  
when it came, when it came to me

All life been wasted, Chasing shallow dreams
