

# Good Charlotte, The Click

Just because I walk  
Like Obi-Wan Kenobi  
You people talk  
But you don't even know me  
And all these guys {But thats alright,}  
I think they wanna fight me {cuz I get down with GC,}  
And all these girls {So I walk on,}  
I know that they don't like me {and listen to their CD's.}  
Some people laugh  
They do it just to spite me  
I'm in a crowd {Behind my back}  
and none of them are like me {They don't know what I see}  
But I don't care what they say  
I don't need them anyway  
I'll just go about my day  
But anyway  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a click  
To call my own, in-crowd  
Out-crowd  
I don't care, your crowd  
My crowd  
We can share  
'Cause I have found  
A click to call my own  
(Let's go)  
So come and talk to me  
On my computer screen  
The best years of our lives  
Aren't as easy as they seem  
But one day we'll look back  
And then we'll have to laugh  
They used to call us names  
Now they want our autographs  
{To get the girl and make the grade  
It's all a show  
It's all a game  
And I would lose it if I play  
It's all the same}  
So I don't care what they say  
I don't need them anyway  
I'll just go about my day  
But anyway  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a click  
To call my own, in-crowd  
Out-crowd  
I don't care, your crowd  
My crowd  
We can share  
'Cause I have found a  
Click to call my own  
She says she'd call  
But I know she won't  
(She won't)  
(She won't)  
You go out on Friday night  
I'll stay in but that's all right  
'Cause I have found a click  
To call my own, in-crowd  
Out-crowd  
I don't care, your crowd

My crowd  
We can't share  
'Cause I have found a  
Click to call my own  
(Let's go)  
I don't care what you say  
I don't need you anyway  
I'll just go about my day  
But anyway  
I don't care what you say  
I don't need you anyway  
I'll just go about my day  
But anyway
