

Good Charlotte, The Little Things

Yeah...

this song is dedicated...

(This is Good Charlotte)

To every kid who ever got picked last in gym class,

(You know What i'm saying...This is for you) To every kid who never had a date to no school dance

(This is for you)

To everyone whose ever been called a freak...

(You'll know what i'm saying)

This is for you...here we...here we goooo...

yeah...

uhh...

what...

come on...

(You'll Know what i'm saying)

what...

come on...

come on...

come on...

Here we go...

uohhhhhhhh...

(come on)

uuuooohhhh...

(lets do this)

Here we go...Like the time in school when we got free lunch,

And the cool kids beat us up (reduced lunch),

And the rich kids had convertibles,

And we had to ride the bus (55!),

Like the time we made the baseball team,

But they still laughed at us (you still suck!),

Like the time that girl broke up with me,

'Cause I wasn't cool enough (TRICK!!)Things.... Things....

Here we goooo...

(Go)

The little things, little things,

They always hang around,

The little things, little things,

They try to break me down,

The little things, little things,

They just won't go away,

The little things, little things,

Made me who I am today,

Go...

You wanna hate me now,

But I won't stop now,

'Cause I can't stop now,

yeah...

what...

(come on)

what...

yeah...

(what)

come on...

Come on...

hey we go...

Like the time mom went to that institute,

'Cause she was breakin' down (I just can't take it!),

Like the car we had that wouldn't start,

We had to walk to get around (can I get a ride?),

And that same year on Christmas Eve,

Dad went to the store (uhhh...see you guys later),
We checked his room,
His things were gone,
We didn't see him no more (DICK!),

Things.... Things....
Here we gooooo...
(GO)

The little things, little things,
They always hang around,
The little things, little things,
They try to break me down,
The little things, little things,
They just won't go away,
The little things, little things,
Made me who I am today,

Goo...

You wanna hate me now,
But I won't stop now,
'Cause I can't stop now,
What...
What...what...
Here we goo...
Here we gooooo...
(GO...GO...GO)

The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,
The little things, little things,

Here we Goo...
uohhhhhh...
uohhhhhh...
(Background-uohhhhhh...)

And it always seems those little things, they take the biggest part of me
Breakdown,i'm breaking down, i'm breaking downnnnoooowwwnnn...
