

Good Charlotte, The Story Of My Life

Talk to me and tell me about you and I'll try to understand the things you've done and the things you've been through ..ya.. these are words i never heard from anyone would know what's wrong but that's ok cause i've learned and i'd like to be alone

chorus

i tried to warn you

i tried to say that i'd walk away

i tried to tell you

but no one listens to me anyway

where do you go now? when you're 17 years old and you've got no one, you've got nothing you've got nowhere to belong

that's right

that's me

always

guilty

I'm trying to fit in where i just don't get in but that's ok cause when you'll

see to play the game you've got no name but that's alright cause we've learned

this is our song

I tried to warn you

I tried to say that I'd walk away

i tried to tell you

but no one listens to me anyway

where do you go now? when you're 17 years old and you've got no one, you've got nothing, you've got nowhere to belong

where do i go now that I'm 21 years old still got no one, still got nothing, still got nowhere to belong

I've seen some hard days

some hard nights

21 years still nothings right x2

nothings right, nothings right, nothings right

Where do I go? I said the story of my life x3
