

Good Charlotte, The Truth

So here we are
We are alone
Theres weight on your mind
I wanna know
The truth
If this is how you feel
Say it to me
If this was ever real
I want the truth from you
Give me the truth even if it hurts me
[x2]
I want the truth
So this is you
You're talking to me
You found a million ways to let me down
So Im not hurt when youre not around
I was blind
But now I see
This is how you feel
Just say it to me
If this was ever real
I want the truth from you
Give me the truth even if it hurts me
[x2]
I know that this will break me
I know that this might make me cry
You gotta say whats on your mind, on your mind
I know that this will hurt me
And break my heart and soul inside
But I dont wanna live this lie
I want the truth from you
Give me the truth even if it hurts me
I want the truth from you
Give me the truth even if it hurts
I dont care no more, no
Just give me the truth
Give me the truth
'Cause I dont care no more
Give me the truth
'Cause I dont care no more, no
Just give me the truth
Give me the truth
Give me the truth
Give me the truth
Give me the truth
'Cause I dont care no more, no
