

# Good Charlotte, The Young And Then Hopeless

Hard days made me, hard nights shaped me  
I don't know they somehow saved me  
And I know I'm making something out of this life they called nothing  
I take what I want  
Take what I need  
They say it's wrong but it's right for me  
I won't look down  
Won't say I'm sorry  
I know that only God can judge me

And if I make it thru today will tomorrow be the same  
Am I just running in place?  
And If I stumble and I fall  
Should I get up and carry on or will it all just be the same

'Cause, I'm young and I'm hopeless  
I'm lost and I know this  
I'm going nowhere fast that's what they say  
I'm troublesome, I've fallen  
I'm angry at my father  
It's me against this world and I don't care, I don't care

And No one in this industry understands the life I lead  
When I sing about my past it's not a gimmick not an act

These critics and these trust fund kids  
Try to tell me what punk is but when I see them on the streets  
they got nothing to say

And if I make it thru today will tomorrow be the same  
Am I just running in place?  
And If I stumble and I fall  
Should I get up and carry on or will it all just be the same

'Cause, I'm young and I'm hopeless  
I'm lost and I know this  
I'm going nowhere fast that's what they say  
I'm troublesome, I've fallen  
I'm angry at my father  
It's me against this world and I don't care, I don't care,  
I don't care, Now, I don't care

I'm young and I'm hopeless  
I'm lost and I know this  
I'm going nowhere fast that's what they say  
That I'm troublesome, I've fallen  
I'm angry at my father  
It's me against this world and I don't care, I don't care  
I don't care, I don't care
