

Good Charlotte, Worldwide (Acoustic Version)

I know a place where we can go
I know a place where we can go
Bring in the verse
Listen up cause there ain't nothing funny
I want a hot girl and a little bit of money
I want a little house where my band can live
Cause we're tired of moving every other weekend
I wanna go to parties where they got no guns
I wanna rock with my band
I wanna have a little fun
Where thugs and punks, and any other type
Can sing this song and we'll sing it all night
I know a place where we can go
To get away
To get away
To get away
I know a place where we can go
To get away
Get away
Get away
All I wanna do is kick the welfare
All I wanna do is get my share
All I wanna do is kick the welfare
All I wanna do is get my share
And I don't wanna run for the president
I just want an honest way
To pay my rent
And I'm tired of the man always shutting us down
Tired of my old man cause he's never around
And I'm tired of eating off of other peoples' plates
And I don't look important so they're telling me to wait
My police records
Said they wouldn't exist
I wanna know the meaning of a Christmas list
All I wanna do is kick the welfare

All I wanna do is get my share
All I wanna do is make something from nothing
It's GC baby and we're working with something
I know a place where we can go
To get away
Get away
Get away
I know a place where we can go
To get away
Get away
Get away
We'll be self-made millionaires
This life we'll lead without a care
Oh yeah
And we'll see
What we'll be
On the videos
On the radio
In the magazines
On the movie screens
listen up cause there ain't nothing funny
I want a hot girl and a little bit of money
All I wanna do is kick the welfare
All I wanna do is get my share
All I wanna do is make something from nothing
it's GC baby and we're working with something
We'll see yeah when we get there

We'll see yeah when we get there
We'll see yeah when we get there
We'll see yeah when we get there
On the videos
On the radio
In the magazines
On the movie screens
